

ALTOCEDRO

LA CONSULTA . UCO VALLEY

ALTOCEDRO is a terroir-driven winery in La Consulta, a unique spot in the Uco Valley, famous for the high quality grapes from ancient vines. .

We make wine that speaks distinctly of this place of origin since 1999, based on their balance, elegance and aging capacity.

Karim Mussi was the first pilgrim in La Consulta that positioned the place through this **born and raise** wine, conceived to be the **paragon** of the Uco Valley.
