

KARIM MUSSI is one of the leading producers in the Uco Valley, being an active ambassador of La Consulta, where he founded his first winery, Altocedro, in 1999.

Today, he has a family of brands under the **Karim Mussi Winemaker** umbrella, including ABRAS from Cafayate (Salta province) and in the Uco Valley (Mendoza province) ALTOCEDRO, ALANDES, QARAMY and LOS POETAS.

In 2013, we opened the doors of our century-old adobe house located in Bodega Alandes, in the historic region of Maipú where we welcome those who want to explore every corner of our charming winery.

IT'S A LONG WAY TO THE TOP (IF YOU WANNA ROCK'N'ROLL)
